

SHIPWRECK.—The smack Intrepid, Rackett, which sailed hence on Monday last, on a fishing expedition, fell in, on Wednesday morning, about 35 miles S. E. from Edisto, with part of a cargo, consisting of a few barrels cotton, staves, lumber, and a quantity of old iron, dismasted and abandoned. The E. had been previously hoisted by a schooner from Savannah for Baltimore, which was then in sight, and which had taken off the crew and passengers; also, her sails, rigging, and other moveable articles. Capt. R. pulled up alongside of the schooner in his boat, and learned from the Captain that the E. was dismasted on Sunday last, between Savannah and Edisto. Capt. R. then returned, took the ship in tow of the smack, and arrived at this port on Wednesday evening.

DESTRUCTION BY FIRE OF AN EAST INDIAN AND FIVE LIVES LOST.—The ship Georgia, of Newcastle, an Indianman, Capt. Mitchell, bound to London from Calcutta, was burnt on the 2d of May, off Madagascar. The fire was accidental, and perchance that there was no chance of saving the ship, the boats were lowered, the mate and some of the crew occupying the jolly boat, while the Captain, and the remaining four of the crew, took to the small boat. The first boat was picked up by a vessel which bore down for the ship; but the small boat was never seen again. The ship and cargo were insured for £25,000.

A curious occurrence took place at Opelousas on the 27th ult. In the District Court, says the Opelousas Gazette, Eugene Martel had been on trial all day for perjury. The jury were out, and their verdict anxiety expected. Just after dark, and before the moon rose, the prisoner jumped from the box and made for the door. The sheriff and his deputy were in close pursuit, when the former was pushed aside, and the latter knocked down by a severe blow from a loaded stick. Two individuals—the brother of the prisoner, and Beaupere Cachere—were arrested, and found to be armed with pistols. They were committed to prison. The prisoner has not yet been taken. The sheriff offers \$100 for his apprehension.

A man named Ferguson committed suicide yesterday at the Rialroad Hotel, by swallowing opium. He was formerly a soldier in the 4th regiment of artillery, from which he deserted about two years ago, and went to Malden, where he has been employed as a hawker. He had obtained property in some fraudulent manner, and the officers of justice were in pursuit of him when he committed the fatal act. He went to the Hotel about 11 o'clock, called for spirits, and then retired to the room in which he died.

CROPS.—Wheat crops in this region of country are said to be very fine, promising an abundant yield. The crops of cotton and corn are also good, and at this time promise an abundant harvest. Corn crops are said to be finer and better than they have been for many years. So far the seasons have been propitious and pushed forward rapidly. [Florence (Ala.) Enquirer.]

The central situation of the Alhambra, the cleanliness and neatness of attendants, and the geniality of the proprietors of Kimball, the most surprising provider of the saloon, make it a favorite and popular place of resort for merchants and others who dine down town. Recommendation to all who frown on a good dinner. A CITIZEN, New York, June 26th.

READ THE FOLLOWING.—It is really astonishing to see what wonderful cures are performed by the use of the Sarsaparilla and Tomato Bitters after all other medicines have failed.

[Extract of a letter from Dr. Williams of Va.]

Gentlemen—I will thank you to send me two dozen more of your Sarsaparilla and Tomato Bitters. I have used it with great success in four cases of dyspepsia, and three of them in an almost incurable state. There is one case of rheumatism and one of piles, and one of asthma.

It is a valuable compound, and must say I have used it with the happiest effects. Should like to have it as soon as convenient. One of the cases of dyspepsia was a gentleman who had suffered a long time, and had been to the Springs two weeks.

Sold wholesale and retail by the Agents A. B. & D. Smith, Druggists, 79 Fulton, corner of Goldst. 100 Fulton, 23rd Broadway, and 73 East Broad-street.

We do not wish to pull our medicines, but we do wish to have the people try them. Dr. Fleming's Douchette is a positive cure for Dysuria, and I have had success with it in many cases.

Dr. Williams' Candy stands approved by all who have used them for coughs, colds, fevers, or distress after eating, heartburn, &c. His Cathartic Candy, we firmly believe, will supply the place of other medicated syrups. C. C. Smith of Lincolne recommends Dr. Williams' Candy.

Com. Com. Consumption, Bronchitis, &c., continues as may be seen by calling on Mr. Covert, 135 Nassau-street, where all the above medicines are for sale.

N. B.—Dr. Humphrey's Infusible Eye Ointment, Pink Tomato Pills, and Dr. Cooper's Com. Eye Salve, &c., are to be had at 71 Maiden Lane, 273 East Broadway, 139 Nassau, 81 Eighth Avenue, 242 Greenwich, and 75 Belmont, Brooklyn.

IMPORTANT TO ALL.—The Sarsaparilla and Tomato Bitters are recommended by some of the first physicians in the country, in cases of Dyspepsia, Indigestion, Goutiness, Hernia, Debilitated System, &c. There is no doubt but that this gives a general, specific, and powerful remedy to all these diseases.
